Albany Soroptimist News

By BEA RAYMOND

The Soroptimist Club of Albany met Wednesday, June 8, with President May Ellis Olson presiding. As it so happened, seven of the girls were having June birthdays, so Songleader Claire McGaw figured that she would have a mass production stunt. Instead of singing to each individual as their birthdays came along, she put them in a bunch. By garbling the names it sounded all right and got by.

We were happy to have Betty Williams, wife of our popular Police Chief Stan Williams, who was guest of Nell Moore, president-elect. Dorry Gamble was guest of Betty Allison.

The first thing on our program was the introduction of Miss Patricia Kane. Introduced by President Mae, I quote the introduction: "The Soroptimist Club of Albany is an international classified service club for business and professional women."

"One of its objectives is the economic advancement of women. What better way to gain this objective than through education. We feel that further education of the young women of today will bring us the leaders of tomorrow, and we know that good health is the basic foundation of success, so we have established a scholarship in nursing. The scholarship is for \$300 and will be deposited with the hospital the student chooses."

"In behalf of the Soroptimist Club of Albany, it is my pleasure to present our first scholarship in nursing to Patricia Kane."

Patricia is a charming girl and lives at 1014 Peralta Ave. She is graduating June 15 from Albany.

City Council Faced With Petitions, Court Orders

Pest Writ Issued

Conducting a "one woman pest control campaign" in Albany, Mrs. Kathie Zahn of 907 Santa Fe Ave. served a writ of mandate at the Monday evening Council session ordering city officials to rid the community of rats, mosquitoes and blow flies.

The writ was filed Monday with the Superior Court by Mrs. Zahn, after months of wrangling with the Council on the subject. She states in her petition that the officials had "failed and refused" to exterminate the pests and as a consequence the "health of the people of Albany is endangered."

The writ, signed by Judge Ralph E. Hoyt, orders seven city officials to appear in court June 16 showing reasons why they should not take steps to "exterminate and prevent the increase of rats, mosquitoes and blow flies in Albany."

Mrs. Zahn stated Monday night that she would be satisfied if Albany joined the Alameda County Mosquito Abatement District, but Mayor Hill pointed out that the voters of the City had rejected such a proposal two years ago.

She is appearing as her own attorney in the suit, while the City will be represented by City Attorney George Glavinovich.

Meter Vote Asked

Petitions which call for a repeal of the parking meter ordinance or placing the issue to a voters' test were presented to the City Council Monday evening by Mrs. Kathie Zahn of 907 Santa Fe Ave.

The meter ordinance adopted only two weeks ago and scheduled to go into effect June 18 is temporarily halted until the Council decides on further action.

From the 1500 signatures on 12 petitions submitted by Mrs. Zahn, an estimated total of 1023 valid names are required for a referendum on the ordinance or for the Council to rescind their action.

City Clerk Mrs. Myrtle McLean said that the signatures would be checked within the next 10 days to determine whether the required minimum names had been obtained. The issue will then go before the Council which is compelled by law to repeal the ordinance or call for an election.

City Attorney George Glavinovich explained that the Council has the choice of either calling a special election or putting the issue on the ballot at the next general election in April.

Named as petition bearers were Deonessus Chelemedos, Clarence O'Brien, Guiseppe Dagna, Joseph Dagna Jr., Eunice Wilkes, Elaine Nepl, Alfred Gilson, Donald Goss, Arthur Pelegrin and James Dolan.

Albany Soroptimist News

By BEA RAYMOND

The Soroptimist Club of Albany met Wednesday, June 8, with President May Ellis Olson presiding. As it so happened, seven of the girls were having June birthdays, so Songleader Claire McGaw figured that she would have a mass production stunt. Instead of singing to each individual as their birthdays came along, she put them in a bunch. By garbling the names it sounded all right and got by.

We were happy to have Betty Williams, wife of our popular Police Chief Stan Williams, who was guest of Nell Moore, president-elect. Dorry Gamble was guest of Betty Allison.

The first thing on our program was the introduction of Miss Patricia Kane. Introduced by President Mae, I quote the introduction: "The Soroptimist Club of Albany is an international classified service club for business and professional women."

"One of its objectives is the economic advancement of women. What better way to gain this objective than through education. We feel that further education of the young women of today will bring us the leaders of tomorrow, and we know that good health is the basic foundation of success, so we have established a scholarship in nursing. The scholarship is for \$300 and will be deposited with the hospital the student chooses."

"In behalf of the Soroptimist Club of Albany, it is my pleasure to present our first scholarship in nursing to Patricia Kane."

For the first time in the four years that upholstery has been taught at Albany Evening High School, immediate enrollments will be accepted for the summer classes scheduled from June 20 to July 29. The summer classes will meet four evenings a week, Monday through Thursday, from 7 to 10 p. m. The four-evening schedule will make it possible to accommodate students now enrolled, those on the waiting list and others who may wish to enroll. Adult students registering may attend any two of the four evenings.

Albany residents will be given preference over those of other communities, although it is believed that all enrollments can be accommodated in the classes.

Elder Heads '49 Chest Committee

Appointment of Scott Elder as volunteer chairman of the Advance Gifts Committee of the 1949 Community Chest campaign in Berkeley-Albany-Kensington was announced today by Norval P. Goezler, campaign chairman.

Considered one of the more important phases of the Community Chest drive, the Advanced Gifts Committee is a group of 50 local leaders which solicits and receives donations of \$100 and up from residents of the city prior to the active campaign for funds.

In accepting the appointment, Elder, who has worked on committees for the San Francisco Community Chest in the past, said that he was "most happy to head this important committee. We are interested in devising means by which we can present the picture of the Community Chest and its value, and to awaken new interest in the fine work the Chest and its 21 Red Feather agencies accomplish."

High and has already been accepted by Merritt Hospital in Oakland. She will begin her duties in September.

Edith Lennox, vice-president elect, was program chairman and gave us a treat by showing color movies of the recent trip to the Soroptimist Convention in Phoenix. We certainly envied our delegates for having such a nice trip through such scenic territory.

Our hats are off to our charter-president, Grace Higgins. The American Soroptimist, the official Soroptimist magazine, have a page each month called the "Soroptimist of the Month." The most outstanding Soroptimist's name submitted appears on this page.

Grace submitted the name of Sarah G. Hammond, one of the founders of the Oakland Club, who is going on 91. Sarah is at her business, "The Colonial Cafeteria," every day, which she founded 40 years ago. She is still manager and still takes an active part in her Soroptimist work.

We thank Grace for this article and compliment her on having her candidate chosen.

Driving Classes Continued for Summer Session

Albany residents interested in enrolling in summer auto-driving classes at the Albany Evening School are requested to enroll now for the new term starting June 20.

The four three-hour lecture classes, conducted both days and evenings, will be followed by actual behind-the-wheel instruction and practice. A new Chevrolet sedan with dual control brakes, provided by the California State Automobile Association and the Eastbay Chevrolet Co. of Albany, will be used in the summer program.

Driving classes conducted by the Albany Evening School since 1947 are offered as a special service to local residents.

The Bride of today keeps house the **ELECTRICAL WAY**

The smartest homemakers in the world are today's California brides. They step forth from wedding aisles into modern homes where many electric servants help keep house the electrical way.

The bride of today becomes a good cook—automatically. Her coffee and her toast or a complete dinner are done to perfection by thermostat and timer.

Her automatic washing machine swishes clothes white and rinses them clean. Then the dryer tumbles them warm and dry (and what a blessing that is on a foggy or rainy day.)

Her food is preserved in the magical cold of a spacious refrigerator and food bargains are stored in a home freezer.

This is the wonderful age of electrical living...especially here in California where electricity does so much for so little money. Remember this...for wedding gifts this month or any month...choose the ever acceptable electrical appliances.

Homemaking Today

By Barbara Foote
P. G. and E. Home Economist, Oakland

Are you "up a tree" deciding on what to serve for your club or luncheon group? It is puzzling, especially when there is no holiday or special occasion to provide a good solution.

If it's your turn to entertain and you have exhausted your ideas, try serving a sandwich loaf. It is attractive and easy to make. You have no last-minute preparation because it should be made ahead of time and stored in your refrigerator.

PARTY SANDWICH LOAF

1 loaf unsliced white or wheat bread, day-old or chilled

¾ cup chopped ripe olives

¾ cup finely chopped walnuts

3 hard-cooked eggs, chopped

1 tablespoon finely chopped sweet pickle

1 cup ground ham or canned meat

1 teaspoon prepared mustard

Tart salad dressing

Butter or margarine

3 packages cream cheese

Top milk

Trim crusts from bread and slice lengthwise into four ¾-inch slices.

Prepare one filling using chopped olives and walnuts. Moisten with salad dressing for easy spreading. (A tart cooked salad dressing is excellent.) Combine chopped eggs, pickle and salad dressing, and season with salt and pepper. For the third filling, mix ground ham or canned meat, mustard and salad dressing. Place one slice of bread on platter and spread with softened butter or margarine.

Spread with one of the fillings; top with second slice of bread. Continue, alternating layers, ending with last slice of bread. Beat cheese until fluffy and moisten with just enough top milk to make it spread easily. Frost sides and top of loaf with cheese. Make a fluted edge of the cheese on the top of the loaf using a fork or pastry tube. If desired, decorate the top with flowers made of pimiento and green pepper strips, or with slices of stuffed olives. Cover lightly with waxed paper and store in refrigerator for several hours or overnight. Before serving, garnish the platter with parsley, watercress or mint leaves. Cut in about 1-inch slices. Serve with lettuce cups filled with relishes, or tomatoes hollowed out and stuffed with olives, celery strips, carrot sticks or pickle spears. Complete the menu with spiced peaches or apricots, potato chips and beverage. Makes 8 to 10 servings.

COMMUNICATED

Editor:

On behalf of the members of the Veterans of Foreign Wars of the United States, I wish to thank the Albany Times for its generous cooperation in observance of our Golden Jubilee.

We also wish to extend our thanks to the patriotic and public spirited businessmen who have employed your advertising columns to voice their salutes to our 50th Anniversary.

In company with the press in general throughout the nation, your newspaper has been most helpful in fostering public interest in the programs of Americanism, community service and veteran welfare being sponsored by the V.F.W.

We sincerely recognize that this cooperation of the press, during the past 50 years, has contributed greatly to the achievements we proudly review in our Golden Jubilee year.

LYALL T. BEGGS,
Commander-in-Chief.

Editor:

On behalf of the Berkeley-Albany Council of Parents and Teachers Associations, may I thank the Al-

bany Times for the courtesies extended the Council throughout the year.

The Times has contributed to the success of the Parent-Teacher activities through its continuous cooperation in keeping the members

and the public informed as to what the movement is, what it has done and what it is doing for child welfare, home, education and community betterment.

MRS. T. L. GOULD,
Publicity Chairman.

THANKS . . .

To the many persons who so kindly cooperated to make our opening last week such a success.
